

Gary Smith, RMOB Treasurer and Membership chair, made an outstanding presentation about the Colorado Freedom Memorial (CFM) at the May meeting of Cooper's Troopers (CT), an organization I have been part of for many years. Gary is a CFM Board Director and served as a Captain in the U.S. Air Force Reserves.

Cooper's Troopers is an organization of about 100 veterans – primarily U.S. Marines and Navy Corpsmen – of WWII, Korea, Vietnam, Iraq and Afghanistan. CT members appreciated the style, content and enthusiasm of Gary's presentation. This is the second time Gary has presented before the CT group. We appreciated him so much we made him a member. We urge members of RMOB to learn more about the Colorado Freedom Memorial and visit the site. You'll be impressed.

Semper Fidelis,

Tim Hall
